

SMARTSENSE ONE ASSURE

Transform audit findings into actionable guidance and follow-up accountability

Eliminate the gap between inspection and improvement with clinical-grade compliance and quality oversight.

Reusable Audit Templates

Create reusable audit templates with weighted scoring, branching logic, and auto-fail conditions that reduce the burden on staff.

Automated Corrective Actions

Empower your staff with guided follow-up actions that populate automatically in Operate to ensure the resolution of all non-compliance items.

Gamified Governance

Rank sites and auditors to drive continuous improvement and identify recurring non-conformance with built-in benchmarking and leaderboards.

Audit-Ready Reporting

Expedite compliance reporting with branded, exportable PDFs with scores, photos, and corrective actions.

SmartSense ONE

SmartSense ONE unifies the platform's capabilities within individual core modules that are intentionally designed to work together, creating a more powerful, connected system.

Monitor

Real-time condition monitoring & understanding of asset health.

Service

Identify issues before failures, track assets, & capture work orders.

Operate

Checklists, tasks, & SOPs with real-time accountability.

Guard

Food safety, quality, & HACCP monitoring with probe and sensor integration.

Assure

Digital audits, inspections, & follow-up actions.

Label

Smart label printing management for size & material variants.

Customer Success, Prioritized

"There was an increased demand from the industry to improve our temp monitoring continuously. And so we set out to figure out who could provide that, and SmartSense was a clear number one for us."

Chandler Peeples, Executive Director, Strategic Operations, ObjectiveHealth
